

Dear New York Candidate

Please complete and return this survey of issues related to the New York State response to the Covid crisis and vaccine policy.

Your answers will be posted on the website of the Children's Health Defense NY (ny.childrenshealthdefense.org, and www.childrenshealthdefenseny.org) as well as distributed to our 100,000 email subscribers in New York.

As you can see, Yes/No answers are acceptable but please provide more information when possible on these complex issues.

Thank you for your time and attention to these important matters. If you have any questions, or to return the completed survey, reach out to:

John Gilmore john.gilmore@childrenshealthdefense.org

or

Michael Kane michael.kane@childrenshealthdefense.org

Sincerely,

Children's Health Defense NY

New York Candidates Survey

New York Legislators 2022

Vaccine Rights Survey for NY Legislators

1. Do you agree that Covid-19 vaccines should be required to attend school?

yes / no

2. Do you agree that the State, employers or schools should be able to tell adults what vaccines they must take?

yes / no

3. Who should make vaccination decisions for minor children?

parents / elected officials / other

But besides could I agree to require
other vaccines that have a long time
being in use to attend school

4. Do you agree that giving minors vaccines without parental knowledge or consent should be allowed?

yes / ☒ no

5. Do you agree with continuing the Covid State of Emergency?

yes / ☒ no

6. Do you support vaccine passports?

yes / ☒ no

7. Do you agree that adults should be forced to provide their vaccination records to a State database?

yes / ☒ no

8. Do you support restoring the religious exemption for vaccines for K-12 schools?

☒ yes / no

I think this is a very small number
of families that would not threaten
herd immunity

9. Do you agree that employees fired for not getting the Covid shot should be rehired with back pay?

☒ yes / no

10. Do you agree that Covid vaccines should continue to be mandatory to attend SUNY or CUNY?

yes / ☒ no
